Matrix Service Company Certified for Second Consecutive Year by Great Place to Work®

TULSA, Okla., Oct. 04, 2017 (GLOBE NEWSWIRE) -- Matrix Service Company (Nasdaq:MTRX) announced today that it has been certified for the second consecutive year as a great workplace by the independent analysts at Great Place To Work®. The certification is based on anonymous surveys completed by employees of Matrix Service Company and its subsidiaries. A summary of these results can be found at <http://reviews.greatplacetowork.com/matrix-service-company>.

"Our company's success is dependent upon attracting and retaining a strong, vibrant workforce and we work hard to do so by offering an environment where every employee knows that their work matters. Just as we seek continuous improvement in the work that we do, we also look for ways to build better experiences and opportunities for our employees. Great Place To Work helps us do so through the feedback they provide," said John R. Hewitt, Matrix Service Company president and CEO. "I am extremely proud of our people and their commitment to our company's culture and core values. It is especially meaningful to experience the strength of their commitment in a tough market environment. Our employees have stayed focused on who we are and on delivering exceptional service to our customers and, as such, have positioned us for success as our markets improve."

Kim Peters, Executive Vice President of Great Place To Work's Certification Program, said "We applaud Matrix Service Company for seeking certification and releasing its employees' feedback. These ratings measure its capacity to earn its own employees' trust and create a great workplace - critical metrics that anyone considering working for or doing business with Matrix Service Company should take into account as an indicator of high performance."

About Matrix Service Company

Founded in 1984, Matrix Service Company is parent to a family of companies that include Matrix Service, Matrix NAC, Matrix PDM Engineering and Matrix Applied Technologies. Our subsidiaries design, build and maintain infrastructure critical to North America's energy, power and industrial markets. Matrix Service Company is headquartered in Tulsa, Oklahoma with subsidiary offices located throughout the United States and Canada, as well as Sydney, Australia and Seoul, South Korea.

The Company reports its financial results based on four key operating segments: Electrical Infrastructure, Storage Solutions, Oil Gas & Chemical and Industrial.

This release contains forward-looking statements that are made in reliance upon the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements are generally accompanied by words such as "anticipate," "continues," "expect," "forecast," "outlook," "believe," "estimate," "should" and "will" and words of similar effect that convey future meaning, concerning the Company's operations, economic performance and management's best judgment as to what may occur in the future. Future events involve risks and uncertainties that may cause actual results to differ materially from those we currently anticipate. The actual results for the current and future periods and other corporate developments will depend upon a number of economic, competitive and other influences, including those factors discussed in the "Risk Factors" and "Forward Looking Statements" sections and elsewhere in the Company's reports and filings made from time to time with the Securities and Exchange Commission. Many of these risks and uncertainties are beyond the control of the Company, and any one of which, or a combination of which, could materially and adversely affect the results of the Company's operations and its financial condition. We undertake no obligation to update information contained in this release.
