

Exxonmobil Awards Matrix Service FCCU Turnaround at Joliet, IL Refinery

December 3, 2018

TULSA, Okla., Dec. 03, 2018 (GLOBE NEWSWIRE) -- **Matrix Service Company** (Nasdaq: MTRX) announced today that its subsidiary, Matrix Service Inc., has been awarded the Fluidized Catalytic Cracking Unit (FCCU) turnaround by Exxon Mobil at its Joliet, Illinois refinery.

"Our teams have been providing hydro-blasting and chemical cleaning, as well as other maintenance and repair services, at this facility for 16 years. Based on our excellent safety record and performance at the refinery, as well as the expertise of our Turnarounds and Plant Services group, we were asked to bid and subsequently won this project," said Matrix Service Company President and Chief Executive Officer, John R. Hewitt. "We look forward to working with ExxonMobil on this critical event and to delivering this project safely, on time, and with the highest degree of quality."

About Matrix Service Company

This release contains forward-looking statements that are made in reliance upon the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements are generally accompanied by words such as "anticipate," "continues," "expect," "forecast," "outlook," "believe," "estimate," "should" and "will" and words of similar effect that convey future meaning, concerning the Company's operations, economic performance and management's best judgment as to what may occur in the future. Future events involve risks and uncertainties that may cause actual results to differ materially from those we currently anticipate. The actual results for the current and future periods and other corporate developments will depend upon a number of economic, competitive and other influences, including those factors discussed in the "Risk Factors" and "Forward Looking Statements" sections and elsewhere in the Company's reports and filings made from time to time with the Securities and Exchange Commission. Many of these risks and uncertainties are beyond the control of the Company, and any one of which, or a combination of which, could materially and adversely affect the results of the Company's operations and its financial condition. We undertake no obligation to update information contained in this release.
