## **Matrix Service Company to Present at the 2014 Credit Suisse Engineering & Construction Conference**

TULSA, Okla., May 28, 2014 (GLOBE NEWSWIRE) -- Matrix Service Company (Nasdaq:MTRX) announced today that President and Chief Executive Officer John Hewitt and Chief Financial Officer Kevin Cavanah will be participating in the Credit Suisse Engineering & Construction Conference on Thursday, June 5, 2014 in New York.

The conference is being held at the Credit Suisse offices at 11 Madison Ave. Matrix Service Company will present at 11:30 am eastern with one-on-one meeting times available throughout the day. Please contact your Credit Suisse representative to schedule a meeting time.

### **About Matrix Service Company**

Matrix Service Company provides engineering, fabrication, construction and maintenance services to Electrical Infrastructure, Oil Gas & Chemical, Storage Solutions and Industrial markets.

The Company is headquartered in Tulsa, Oklahoma, with regional operating facilities in the United States and Canada.

This release contains forward-looking statements that are made in reliance upon the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements are generally accompanied by words such as "anticipate," "continues," "expect," "forecast," "outlook," "believe," "estimate," "should" and "will" and words of similar effect that convey future meaning, concerning the Company's operations, economic performance and management's best judgment as to what may occur in the future. Future events involve risks and uncertainties that may cause actual results to differ materially from those we currently anticipate. The actual results for the current and future periods and other corporate developments will depend upon a number of economic, competitive and other influences, including those factors discussed in the "Risk Factors" and "Forward Looking Statements" sections and elsewhere in the Company's reports and filings made from time to time with the Securities and Exchange Commission. Many of these risks and uncertainties are beyond the control of the Company, and any one of which, or a combination of which, could materially and adversely affect the results of the Company's operations and its financial condition. We undertake no obligation to update information contained in this release.
